CG-922

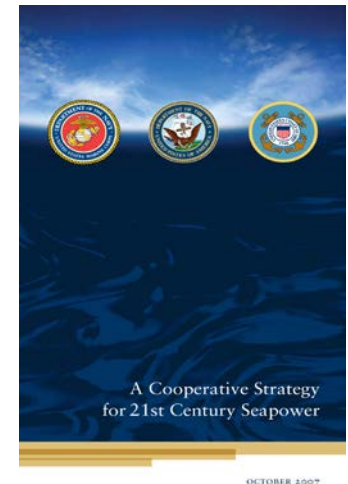

Office of International Acquisition

Mission:

- Achieve the Commandant's international policy objectives, satisfy COCOMs' capability requirements, and reduce risk to USCG acquisition programs through international sales/transfers of articles and services

Functions:

- Provide international access to the USCG acquisition process via government-to-government agreements
- Provide no-cost means of transferring decommissioned assets
- Assist in off-shore procurements
 - Administer 3 Bilateral MOUs and 1 TAA
 - Coordinate End-Use Certification/Export License Issues
